## 1.0 ABOUT RETECH FOUNDATION

Established in 2019, RETECH Foundation is a non-profit organisation with a focus on the development of human capital in Nigeria. Our mission is to provide nation-wide mentorship, scholarship and good citizenship programmes that offer a comprehensive range of opportunities to enable our youths develop skills, knowledge, values, behaviours, and competencies needed to ensure Nigeria becomes the most developed country in Africa and one of the most economically viable nations in the world.

Our Mentorship and Scholarship Programmes aim to ensure that more talented children, young people, and professionals are motivated, guided and encouraged to strive for success in all they do. We know that our intervention will have a significant impact on the literacy rate in Nigeria, as we aim to eradicate lack of funds as an excuse for talented students to drop out of school. Our Good Citizenship Programme aims to ensure that our children and young people develop the right attitude required for success by taking responsibility for their success and actions; having the right attitude to work and school; showing respect to authority, school staff and classmates; and learning to help others.

Run by a network of volunteers which include our [Board of Trustees](#) and all the [members of the management team](#), our activities are funded by donations from private individuals and corporate organisations and 100% of the funds raised by the Foundation is used in the implementation of our programmes. So far, RETECH Foundation has awarded full scholarships to 33 pupils in federal government colleges (a.k.a. Unity Schools) and 60 pupils from State Owned schools across Nigeria who bagged the best scores in the Basic Education Certificate Exam.

## **2.0 WHAT IS THE BOOK CLUB?**

The RETECH Foundation Book Club (RFBC) aims at encouraging critical thinking and deeper engagement with stories whilst improving the students reading and reading comprehension skills. It will also promote a love of literature in a positive nurturing environment. The RFBC has a focus on reading books from one or more of the following genres: Historical Fiction, Literary Fiction, Science Fiction, Biographies and Autobiographies, History and Memoirs. RFBC also aims to promote books by African Authors.

Reading develops a person in numerous ways including enhancing emotional intelligence, improving self-awareness, increasing social skills and increasing intelligence and academic performance.

By creating, interacting, monitoring and rewarding reading clubs' members for the number of books read rather than just donating books, RETECH Foundation can ensure the books supplied are read and reviewed in a formal book review meeting by club members. Club members are expected to complete reading and reviewing books within a month. At the end of each month, club members are expected to swap books with another club, this way the supply of books to Club members is sustainable.

RETECH Foundation launched 27 RFBC (8 students per club) in Federal Government College Porthacourt in August 2021. A total of 214 students are members of RFBC in FGC Porthacourt

### **3.0 FUNDING**

We are grateful to Books2Africa for donating 1,000 books towards our book clubs across the Country. A total of 214 of the books donated by Books2Africa were supplied to FGC Porthacourt Book Clubs.

We are grateful to GC IMC for sponsoring the shipping of the Books from Books2Africa in the UK to Nigeria.
